Old Business:

School Improvement Plan: Mrs. Angelo shared that all grade levels continue to work on their
SIP goals and are starting to put up grade level scoreboards for a visual on how each grade is
doing on their goals.

New Business:

Upcoming Events: Fun Run, Veterans Assembly and Parade, Holiday Shoppe, Dress up days
School Celebrations: CCRPI is looking good, still don't have the final data; GMAS Math data for
Braelinn is excellent after first year of new standards; Recognized as Literacy Leader School by
state superintendent; Recognized by LIM as Academic Honor Roll

Screentime: parents shared that they don't have concerns about screen time and overall feel
like this year has been better than ever; happy with no 2nd grade chromebooks; overall feeling
is preference to paper over digital; led to conversation about assessments, DSC grading vs.
regular grading.

Leader in Me Parent Feedback: parents are going to complete and return to Angelo
