Trait of the week

Setting Your Goals High and Achieving Them

STUDENT OF THE WEEK - ALEXANDER (TRUITT) WILLIAMS

This student started strong from day one and has continued to thrive. This young man was required to write a goal at the beginning of the school year, and his goal was to actively participate as well as build a habit of routinely reading without being told to do so. The team recommending this student can attest to the fact that this young man has surpassed his goal. Each benchmark, the student has increased his reading proficiency! The team proudly recommends this student who regularly participates in class, speaks up for others, and is an FRMS athlete, as well as a driven goal achiever.

LOVE AND LOGIC: HELPING UNMOTIVATED KIDS

Report cards went home with students on Thursday, October 12th. If you were not satisfied with your student's grades the solution to fixing it, might not be that easy. There is a complex answer to helping underachievement in kids, [click here to read an article on helping unmotivated students.](#)

7TH GRADE BASKETBALL TRYOUTS - GIRLS AND BOYS

7th graders interested in trying out for the basketball teams are invited to stay after school Monday 10/16, Tuesday 10/17, and Wednesday 10/18. Students should wear basketball shoes and athletic attire. Students will need to provide an updated school physical to Coach Tyler in order to participate. For more information, email [Coach Tyler](#).

HISPANIC HERITAGE MONTH

As Hispanic Heritage Month officially comes to an end this weekend, we hope our students have found the Hispanic Heritage Moments on Eagle News helpful in recognizing the histories, culture and contributions of Hispanic Americans. Students will attend the Hispanic Heritage Month Assembly at the end of October.

Establecer Metas Altas y Alcanzarlas

ESTUDIANTE DE LA SEMANA - ALEXANDER WILLIAMS

Este estudiante comenzó fuerte desde el primer día y ha seguido prosperando. A este joven se le pidió que escribiera una meta al comienzo del año escolar, y su objetivo era participar activamente y desarrollar el hábito de leer de forma rutinaria sin que se lo pidieran. El equipo que escogió a este estudiante puede dar fe de que este joven ha superado su objetivo. ¡En cada punto de referencia, el estudiante ha aumentado su competencia en lectura! El equipo escoge con orgullo a este estudiante que participa regularmente en clase, habla por los demás y es un atleta de FRMS, además de un motivado cumplidor de objetivos.

AMOR Y LÓGICA: AYUDAR A LOS NIÑOS DESMOTIVADOS

Los boletines de calificaciones se enviaron a casa con los estudiantes el Jueves 12 de Octubre. Si usted no está satisfecho con las calificaciones de su hijo, la opción para solucionarlo puede no ser tan fácil. Existe una respuesta complicada para ayudar a los niños con bajo rendimiento, [Haga click aquí para leer el artículo de Como Ayudar a los Estudiantes Desmotivados.](#)

PRUEBAS DE BASKETBALL DE 7MO GRADO - NIÑAS Y NIÑOS

Los estudiantes de 7mo grado interesados en presentar las pruebas para los equipos de baloncesto están invitados a quedarse después de clases del Lunes 16 de Oct al Miércoles 18 de Oct. Los estudiantes deben usar zapatos de baloncesto y vestimenta deportiva. Los estudiantes deberán proporcionar un examen físico escolar actualizado a la entrenadora Tyler para poder participar. Para más información, envíe un correo electrónico a [Coach Tyler](#).

MES DE LA HERENCIA HISPANA

A medida que el Mes de la Herencia Hispana llega a su fin este fin de semana, esperamos que nuestros estudiantes hayan encontrado útiles los Momentos de la Herencia Hispana en Eagle News para reconocer la historia, la cultura y las contribuciones de los hispanoamericanos.
