

Welcome to the 2024-2025 School Year Eagle Nation!

Flat Rock Families~

Welcome again to the 2024-2025 school year! It was so great to see the scholars back in the building and ready to learn. Our theme this year is **Game On**. It is the goal of the FRMS staff to support your scholar with leveling up academically, athletically, and behaviorally.

In order to stay informed on ways that **you** can assist the school, please do the following:

- Utilize the ParentSquare App for two way communication between teachers and staff.
- Read the Week At A Glance (WAAG) each Friday
- Participate in PTO and other parent engagement activities

Together we can ensure that this school year is most memorable and successful for our FRMS Eagles.

GAME ON!

We will follow GHSA football rules with the exceptions listed below.

- 10-minute running clock quarters. 3 minutes and 1 minute between quarters.
- There will be 1 untimed down at the end of each quarter. (No Timeouts)
- We will play **4 quarters**. 2 fulltime Defense and 2 full time offense
- Each team will be on offense or defense for the entire quarter. Ex: Team A is offense in Q1, Team B is on defense. At the start of Q2, Team A is on defense and Team B will take over on offense.
- Each offensive series will begin on the 40-yard line going in.
- There will be no kicking game, teams will just go for it on 4th down, if successful, the drive continues, if unsuccessful, the ball returns back to the 40-yard line and the team continues on offense.
- If the offense turns the ball over, by fumble or interception, the offensive team will retain possession back at the 40-yard line.
- If a team scores a touchdown, there will be no extra point attempt, and the offensive team will restart on offense back at the 40-yard line.

- Each team is allowed one Coach on the field during the game.
- **Teams reserve the right to work on specific game situations (ie 2 minute drill, goal line off/def) if agreed upon by both coaches. Remember, this gives teams an opportunity to practice**

Your student is invited to Japan! — please RSVP

Dear FRMS families,

We're going to **Japan** in Summer 2026, and you're invited!

We're excited to tell you more about the trip we're planning with EF Tours, our educational travel partner. Please be sure to register for this info session to be considered for this opportunity: <https://rsvp.eftours.com/j87x8w5>

When students travel, they expand their knowledge of the world around them, discover more about themselves, and grow more confident. These skills are critical for creating the global citizens of tomorrow, and we would love to have your student join us on this adventure.

In this info session, we'll talk about:

- How this opportunity will benefit your student
- What we'll see and do on our trip
- Everything that's included in this experience
- How your child can earn academic credit
- How we're keeping this safe and affordable
- How to enroll on this trip (before it fills up!) during EF's risk-free enrollment period

There are limited spots on this trip, so we would love to have you attend this meeting to learn more about this exciting opportunity!

Thank You!
