

# Preparing for the **SAT** or **ACT**?

The Fayette County Public Library Can Help!

## **RB** Test Prep Test-Preparation Courses

### Online Video-Based Test-Prep Courses

**RB Test Prep** provides online SAT, ACT, PSAT, PLAN, and SSAT test-preparation courses delivered by experts through engaging, on-demand video lessons. Students maximize their scores by practicing under test-simulated conditions. Expert instructors then answer questions and solve problems in the same pencil-paper environment that students will experience on test day. By engaging both the student's eyes and ears, while demonstrating how to solve test problems in real time, **RB Test Prep** magnifies understanding and retention.
