

Football Scoreboard for JC Booth Middle School

Addendum 1

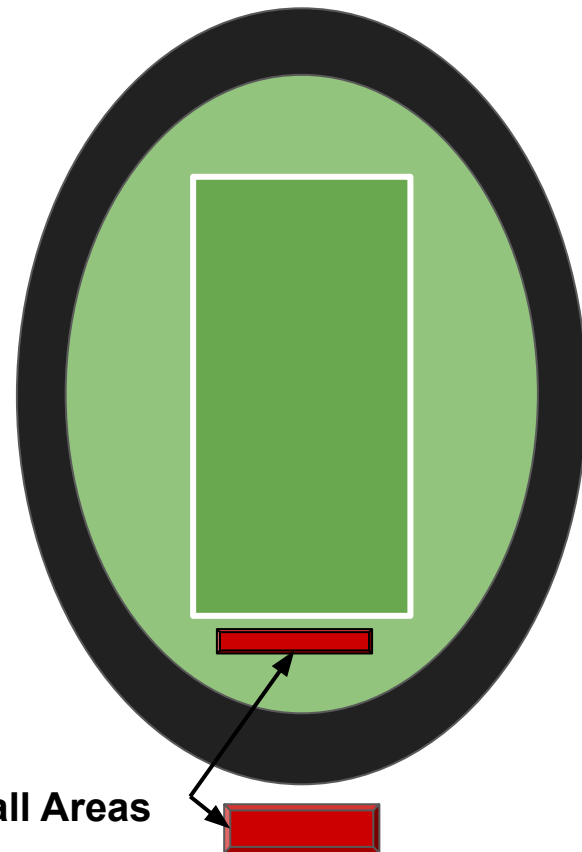

1. Are there existing poles to mount the scoreboard at this site?
 - a. No. We will need to include the poles and installation with this scoreboard project pricing.
2. Will electrical connections be included in this project?
 - a. No. The electrical connection will be the responsibility of Fayette County Public School's Facilities Services Department.
3. Can you provide a map of the location with the area marked for where the scoreboard will be installed?
 - a. Yes, see attached location layout. (Google Maps is not updated with an aerial view at this time)
 - b. There are currently two (2) possible installation locations. Final location decisions will be made prior to the start of the project.
4. Will the due date for this solicitation be extended?
 - a. Yes. The solicitation is now due on Thursday, July 3, 2025 before 10:00AM (EST).
