## ACADEMICS

At Horizon Academy students are allowed to work at an accelerated pace using an online, computer-based curriculum supplemented with offline projects and assignments to ensure that all Georgia Standards of Excellence are met and that the curriculum is rigorous and relevant. Students will be able to catch up academically or move ahead at an accelerated pace. The Academy uses Edgenuity [www.edgenuity.com](http://www.edgenuity.com).

**INFINITE CAMPUS:** All student information is stored virtually through Infinite Campus. Parents and students are encouraged to set up online portal accounts to ensure that they have 24-hour access to school information. Once portal accounts have been established, students will keep the same accounts continuously within the Fayette County School System. **Parents should provide current contact (email and phone) information. Parents may update email addresses and phone numbers through their portal accounts.**

### ACADEMIC DISHONESTY

The Edgenuity platform has an automatic plagiarism detector and teachers submit essays through the Turnitin software to verify authenticity of student work.

Students are expected to conduct themselves honestly and with integrity in their work. All forms of cheating and plagiarism are strictly prohibited. Behaviors that are unacceptable include, but are not limited to:

- copying another student's work;
- working with others on projects that are meant to be done individually;
- looking at or copying another student's test or quiz answers;
- allowing another student to look at or copy answers from a test or quiz;
- using any other method to get/give test or quiz answers;
- taking a test or quiz in part, or in whole, to use or to give others;
- using information from a source without proper attribution;
- copying and pasting from another source and submitting it as your own work
- taking papers from other students, publications, or the Internet;
- submitting any work that is not entirely your own;
- acquiring answers or tests by any dishonest mean;
- providing answers to others on any type of assignment;
- if taking an online graded assignment, having any other site open.

Disciplinary measures include, but are not limited to, redoing assignment/retaking tests, receiving a failing grade on the assignment.

**Class Credit:** Course credits are awarded when a student shows mastery of the curriculum in a given course. Specific courses have a final exam requirement or End of Course Milestones (EOC) assessment that must be completed in order to receive credit for the course. Final exams will count as 20% of the overall course grade.

**Continuing Enrollment:** Students who show strong academic progress, have regular attendance, and have no discipline issues may apply to return to Horizon Academy on a voluntary basis.

**Dual Enrollment:** Dual enrollment will be considered on an individual student basis. Contact the base or homeschool counselor for more information.

**Edgenuity:** Edgenuity is the computer-based curriculum platform used at Horizon Academy. Edgenuity is accessible to students at home as well as at school. Notes and assignments may be completed at home, but all quizzes and tests must be taken on site unless individual arrangements are made for assessments. When working in Edgenuity, no other windows should be open.

**Grades and Summary Reports:** Report cards will be issued in alignment with the FCBOE calendar. Progress reports, pacing guides, and grade updates are available through Edgenuity. Please contact your student's teacher for specific questions regarding grades or progress.

**Student Class Loads:** Students must complete six classes per semester (3.0 credits).

**Student Maps:** Students will receive individual maps on the first day of school or semester. Each map includes classes that have been completed and courses that are incomplete. This map is a summary of their high school transcript.

**Test Taking:** The following are rules regarding taking an online test:

1. The classroom teacher must be notified prior to beginning any test. This includes pre and posttests in the prescribed curriculum and any test in aligned curriculum.
2. There will be a time limit established for each test. This time limit will be determined by the classroom teacher. Accommodations will be provided for 504 and IEP plans.
3. All other windows must be closed while taking a test. This includes, but is not limited to, media player, Google and other search engines.
4. Tests must be completed in a single session.
5. All lessons must be completed prior to attempting a test.
6. Notes or other documents may be required to be presented by the teacher prior to the student being allowed to take a test. This decision is at each teacher's discretion.
7. Any student who solicits help from another student or is using the internet to search questions during a test will be considered to have cheated on that test. The only communication allowed during a test will be with the teacher. Any student that offers or receives help during a test will be in violation of the FCBOE code of conduct.

Sexual harassment is a form of harassment that also violates school policy. Punishable sexual harassment is an unwelcome sexual advance or sexual conduct, including verbal conduct, (1) that is tied to a student's education benefits, opportunities, or performance, or to a student's physical or psychological well-being; (2) that creates (or will certainly create) a hostile environment by substantially interfering with a student's educational benefits, opportunities, or performance, or with a student's physical or psychological well-being; or (3) that is threatening or seriously intimidating.

All parental notes requesting a student be allowed to check out must have a telephone number. All notes may be verified.

Members of the Fayette County School District staff will treat parents and other members of the public with respect and expect the same in return. The district is committed to keeping schools and administrative offices free from disruptions and to preventing unauthorized persons from entering school or district grounds.

Students who behave in a manner such as that described above, will face disciplinary action and prosecution under applicable laws.

If any member of the public or any student uses obscenities or speaks in a demanding, loud, insulting, and/or demeaning manner, the administrator or employee to whom the remarks are directed will calmly and politely warn the speaker to communicate civilly and, where appropriate, remind the speaker of the presence of students. If the abusive individual does not stop the behavior, the district employee may verbally notify the abusing individual that the meeting, conference, or telephone conversation is terminated; and, if the meeting or conference is on district premises, the employee shall direct the abusive individual to leave promptly.
